## Wednesday August 27<sup>th</sup>:

### 8:30AM-Stage at Dallas Landing State Park at 5120 Allatoona Dr.

The park has an oval road that runs next to Lake Allatoona. Because we will be the only ones using the park at this early hour, we will be able to use the entire road so we won't have to pull into parking spots. We will form a line and wind our way around the road, lining up in rows like a parade. There is room for at least two rows of cars and in some places three rows, so that way we won't have to worry about backing out of parking spots. When you arrive, you'll be given a bottle of water donated by Kim Watt and the City of Acworth. We will follow the police car to I-75. Because the intersections will be blocked off by police along the way, we won't have to worry about being separated on our way to I-75.

Just after you pass over the Mary McCall Memorial Overpass (a bridge), you'll see a turn lane that will take you onto a very short piece of Main Street. You'll go a few hundred feet and the road dead ends.

Just a few hundred feet you will turn left onto Lakewood Drive. Follow Lakewood Drive until you come to a stop sign. You will bear slightly to the right onto Allatoona Drive. This will take you straight into the park.
